

## Single Phase ACDB for solar PV plant w/o GRID backup

### Single Phase ACDB for solar PV plant w/o GRID backup

Ref.#ACDB\_T2

- 1) MoC: 1.6mm thick CRCA sheet steel
- 2) Finish: Light Grey 7035 upto 60 microns
- 3) Ingress Protection: IP 21
- 4) Extended canopy at top
- 5) Wall mounting bracket and hardware
- 6) 02 Nos. SS Earth Stud at side sheets for earthing
- 7) Hinged door with lock
- 8) 02 Nos. Single compression Cable glands at bottom for inverter input and output cables of 2Cx16 Sqmm.
- 9) 01 No. 63A DP AC MCBs for Inverter supply as inputs.
- 10) 02 Nos. Terminals for Output upto 16 Sqmm wire termination.
- 11) 01 No. CT operated Single phase Digital Multifunction meter to measure V,I,Hz,kW,kWH, PF etc with CT 60/5A.
- 12) Other accessories eg. Din rail, MCB stoppers, labels included.
- 13) Internal Wiring with lugs, ferrules and dressing included
